## President's Message

I am thrilled to be serving as your President this year! There have been many hardworking angels this summer planning all the incredible and fun events for our upcoming year. In addition to being club president, I was blessed with the opportunity this past summer to attend the Pi Beta Phi convention in Orlando, Florida. It was my very first convention, and I now hope to attend many more in the future. At convention, we celebrated “The Magic of Sisterhood”. In the spirit of convention, we will be “Celebrating Sisterhood” ourselves, by having an all Pi Phi speaker program this year.

I was born and raised in New Orleans and graduated from the Academy of the Sacred Heart, where I was an “original” from kindergarten. I attended SMU and am proud to be a Texas Beta. My Pledge sisters are still among my closest friends to this day. After college I went to work for an oil company in Dallas and met, dated and married my wonderful Texan husband Eddy. We have twin daughters, Barbara and Peggy. Barbara has been attending Tulane and will be transferring to UNT in the spring. Peggy is at SMU and a Pi Phi too!

During my years as a Dallas Alumnae Club member, I have had the opportunity to Co-Chair Founders Day, programs, directory and the style show. My involvement within the club has blessed me with many friendships that I might not have, were it not for Pi Phi. I urge each and every one of you to get involved whenever you can. These friendships, both old and new, are ones I cherish dearly.

I have met with the other presidents - Amy Zicarelli, Bryttany Anastas and Lynette Morris - my newest Pi Phi friends. Their groups are all planning wonderful programs that are more specific to their group's particular stage in life. Please don't forget, that no matter which group you have chosen to join, you are welcome at all Pi Phi events.

I look forward to seeing you this year, making new friends and Celebrating Sisterhood!

JoAnne Bisso Moore

## Welcome

Welcome! I am honored to be President of the Junior Day Group this year. We have so many fun activities for young moms and professionals! We encourage you to come to any one of our fabulous events and reconnect with new friends and college friends. I am a native of

the Dallas area, a Texas Beta, & I completed my Masters work in Marriage & Family Therapy. My husband Mike (Louisiana native), and I have been married for 8 years. We have two wonderful children Luke (5) and Lyla (3). I am co-owner of Kidville and active in the community. I have always enjoyed the Pi Phi Day Group as a means to re-connect with old friends, make new, and enjoy fun activities with and without the kids! I look forward to seeing each of you and don't hesitate to contact me if you ever have any questions.

-Amy Anderson Zicarelli, Texas Beta

## Amy Zicarelli

Amy pledged Pi Phi at SMU in 1997. After SMU, Amy worked as a Training Development Consultant, training employees at Fortune 500 companies such as Frito-Lay, ConAgra Foods, and Celanese Chemicals. She then pursued her passion in psychology and received her Masters in Marriage & Family Therapy. Amy did her graduate work with the Salesmanship Club Youth & Family Center doing counseling. This year Amy opened Kidville at Preston Royal Village, an all in one children's center with designer children's boutique clothing, haircuts, play village, and classes in music, art, gym, dance, and yoga for ages 0-6 years old. She appears regularly on Good Morning Texas, and Fox National Radio as a parent expert on the latest topics affecting children today.

Amy and Mike's children both suffer from chronic illness and she has become a proactive member in the community spreading awareness and raising funds for research by co-founding Angels for Eosinophilic Research Alliance. She also leads a support group for parents of chronically ill children called Hands of Hope.

Channy pledged Pi Phi in January, 2009 and is currently serving as Chapter President of Missouri Beta. Prior to this she served as VP Philanthropy in 2009-2010 and as a construction & design chair for ThurtenE Carnival her first 3 years as a Pi Phi. In addition, she was initiated in Fall 2010 to the Order of Omega- Greek Leaders Honorary where she serves as secretary and last spring was inducted into Mortar Board where she serves as VP Programming. Channy has spent her past 2 summers in London as a fashion/business intern, first with Condé Nast and then with 2 fashion houses as part of their design teams.

She looks forward to seeing her contributions in the A/W 2012 Collections. Additionally, she returned to Florida in June for a few days to represent her chapter at the Pi Phi National Convention.
